

Pokini

CONVENIENT.
VERSATILE.
EFFICIENT.

Charge up to 4 Pokini Tablets
in one stylish docking station.

CONVENIENTLY MEETS ALL YOUR CHARGING NEEDS IN ONE USER-FRIENDLY DEVICE!

Adaptability & Key Features

Pokini's Quad Tablet Charger supports our entire Mobile family, and can simultaneously charge up to four Tablet 10's, 8's or 5's in any combination. The insert can be removed in one simple motion to support the ruggedized Pokini Tablet Shield, allowing the Pokini Tablets to be charged with or without the added accessory.

Power Indicator & Security

Each of the four Tablet ports utilizes its own corresponding 2-color light, indicating the charging status of each individual Pokini Tablet. The Quad Tablet Charger features a Kensington™ lock for security against theft protection, and a push button release mechanism to ensure both the security & safety of each Tablet.

Ease of Serviceability & Installation

Based on the needs of your operation, the Quad Tablet Charger can be placed on a countertop, or mounted on a wall - either flat against the wall, or at a 40 degree angle through the use of one bracket. The convenient design of the bracket promotes both ease of serviceability and seamless installation.

Dimensions: 14.76"(L) x 6.89"(W) x 4.23"(H)
Weight: 5 Lbs.
